

Chi Wow's PAYPAL INSTRUCTIONS

So you've decided you want a puppy and would like to pay via PayPal.

Step 1. First thing you will need to know is that you will have to have a PayPal account to pay with PayPal. You may get a PayPal account by following this link:

https://www.paypal.com/cgi-bin/webscr?cmd=_registration-run

***If you already have a paypal account skip to "Step 5"**

Step 2. Select "Personal" account (you can change it later if you become a seller or a business. You will be taken to a form that will need to be filled out with your name address etc...

Step 3. PayPal will then ask you to verify your account by **confirming your email address** (follow their instructions).

Step 4. PayPal will then ask you if you would like to become "verified" (confirming your bank account), I suggest doing so, but it is not necessary.

Step 5. You are now set up with your paypal account and are in your profile... you will see tabs that say: My Account, Send Money, Request Money, etc.. **Select "Send Money"**.

Step 6. You will then be asked to enter recipient details which is where you will enter **OUR** PayPal email address which is puppies@chiwow.com then the amount, and select which service it is for... select "Services/Other" then click "Send Money"

PayPal will then give you an invoice as to what you sent and on which day your funds will clear.

Once we receive an invoice from PayPal stating that you sent us money, we will mark the puppy as "SOLD TO _____"

We typically get an invoice from PayPal within 5 minutes.
